City Manager

Date : October 11, 1978

From : Conrad C. Fagone, Commissioner **CCF**
Public Works Department

Reference

Subject : Council Order No.11 - Councillor Crane - October 2, 1978
Initiate an Energy Audit of All Public Buildings

Please be advised the City had a needs survey and preliminary energy audit of all public buildings under the supervision of the Public Works Department.

This report was the basis of the applications to your Economic Development Administration for our grants under the Local Public Works Funding. A complete and thorough energy audit of all buildings in the City could involve an expenditure of \$200,000-\$300,000. We have been performing this work in-house on a small scale with satisfactory results.
