Deputy City Manager

January 22, 1996

To the Honorable, the City Council:

I am pleased to report that Polaroid Corporation has agreed to allow Cambridge residents use of the parking lot located behind 784 Memorial Drive for parking and storage of automobiles during declared snow emergencies. In this arrangement, the City is responsible for snow plowing, and has sectioned off a large portion of the lot that can be used by Cambridge residents.

This parking lot can be accessed off Pleasant Street. Although I encourage automobile owners to use this lot during declared snow emergencies, I need to caution residents that the City is not responsible for damage or theft.

I would like to thank Polaroid for its cooperative and expeditious approach in assisting the City with this matter.

Very truly yours,

Robert W. Healy
