

As the widening of Bridge Street
East Cambridge - was made in view of
an early widening of Craigie Bridge - and
that the project will be only half carried
out, unless - Sewall St. Boston - is also widened.

Therefore Ordered That the Mayor be requested
to call the attention of the City of Boston
to this pressing necessity - as a block of
brick buildings - will very soon be placed on
the corner of Charles and Sewall Street.

In Board of Aldermen

Cambridge April 26/71

Ordered That the Committee on Roads & Bridges
be instructed to confer with the proper authorities
of Boston in relation to the widening of Severitt Street
in that city at its junction with Craig's Bridge, to
the end that no obstacle may be erected on
Severitt Street to which at no distant time shall
have to be removed.
