Re: No. 13 on Awaiting Report List: Regulations on
Amplified Street Music

Date: June 15, 1988

Please be advised that the U.S. Supreme Court over the next month is expected to hand down its decision on municipal regulation of newspaper boxes. As newspapers and music both implicate first amendment rights, th city should propose new regulations on amplified street music in late summer/early fall, following a review of this pending U.S. Supreme Court decision.
