

To the Honorable the City Council of the City of
Cambridge —

The undersigned citizens and tax payers of
ward Thru, impressed with the great necessity of an uniform
wide avenue through our ward, connecting Craig's Bridge and
Somerville, and there uniting with wide avenues already or to
be immediately completed, would respectfully pray that your
honorable body may immediately petition the County Commissioners
of Middlesex County asking for the widening of Bridge Street to
a width of 75 feet from the Somerville line to such part
of said street as is now of that width, or take such other action
to accomplish such result as your honorable body may deem proper!
