Date 04/01/81
Place Tremont St.

Dear Mr. Carginlo:

I have today received a copy of "Final Notice For Parking Violation". As I wrote you June 15, 1982, I never received the first two notices, so the "Final" came as quite a surprise.

As mentioned in my letter of June 15, 1982, I have not been in Cambridge in about thirty years, have never let any one borrow my car and I know there has been a serious error in recording my license plate number somewhere along the line. It seems as though you have incompetent employees for whom you are responsible.

In order to discontinue your harassment, my check in the amount of \$15.00 is enclosed; however, I consider this a flagrant case of extortion!

Yours truly,

Harold M. Wilson
(Mrs. Harold M. Wilson)

PS. As mentioned in your Final Notice send check "in the return envelope provided". None was provided.
