

CITY OF CAMBRIDGE.

IN BOARD OF ALDERMEN, }
July, 2nd, 1895. }

Resolved: That the public necessity and convenience require that Hayes Street, a private way so-called, extending from Putnam Avenue, southeasterly to Howard Street, should be taken and laid out as a public way of the City of Cambridge, and that the grade thereof should be established.

Said Hayes Street is bounded and described as follows:

Beginning at a point in the easterly line of Putnam Avenue at its intersection with the northerly line of Hayes Street; thence running easterly along the northerly line of Hayes Street about four hundred and seven and fourteen hundredths (407.14) feet to an angle; thence running southeasterly along the northeasterly line of Hayes Street about two hundred and seventy and eight tenths (270.8) feet to the tangent point of a curve; thence running easterly and northerly along said curve of ten (10) feet radius twenty-two and seven hundredths (22.07) feet to the other tangent point of said curve in the westerly line of Howard Street, thence running southerly along and bounding the westerly line of Howard Street about seventy (70) feet to the tangent point of a curve; thence running northerly and westerly along said curve of twenty (20) feet radius eighteen and sixty-five hundredths (18.65) feet to its other tangent point in the southwesterly line of Hayes Street; thence running northwesterly along the southwesterly line of Hayes Street parallel to and thirty (30) feet distant southwesterly from the northeasterly line of Hayes Street about three hundred and five hundredths (300.05) feet to an angle; thence running westerly along the southerly line of Hayes Street parallel to and thirty (30) feet distant southwesterly from the northerly line of Hayes Street about three hundred and ninety-six and eighty-one hundredths (396.81) feet to its intersection with the easterly line of Putnam Avenue; thence running northerly along and bounding on the easterly line of Putnam Avenue about thirty-two (32) feet to its intersection with the northerly line of Hayes Street at the point of beginning. Containing about twenty-one thousand one hundred and seventy-three and seven tenths (21,173.7) square feet, more or less.

The above described parcel of land is shown upon a plan drawn by L. M. Hastings, City Engineer, entitled "Plan of Hayes Street for Acceptance," dated October 1, 1894, and on file in the office of the City Engineer of said Cambridge.

It is therefore hereby

Ordered: That due notice be given to the owners of lands abutting on said Hayes Street, as hereinbefore described, and all other persons interested, by a delivery of a copy of this order of notice in the manner prescribed by law, and by publication in the newspaper called the Cambridge Chronicle, that this Board intends to lay out said Hayes Street by taking a portion of their land and laying out the same as a public street, and that Tuesday, the 17th day of September next, at 8.30 o'clock P. M., is assigned as the time for hearing any objections which may be made thereto.
