To the Honorable, the City Council:

With reference to order of your Honorable Body relative to installation of sidewalk and sewer drains and pavement on Marvin Place, it is my understanding that Marvin Place is a private way.

I should like your Honorable Body to know, however, that I have requested Mr. Fagone to familiarize himself with the conditions at this location and report to me. Should this investigation substantiate the need for work performance, we will take appropriate steps.

Very truly yours,

John H. Corcoran
