City Council
City Hall
Cambridge, MA 02139

Dear Council Members:

I am pleased to advise you that your Legal Counsel, Birge Albright, has been elected Vice-President of the City Solicitors and Town Counsel Association at its annual business meeting.

The City Solicitors and Town Counsel Association is the oldest and largest municipal bar association in the state, having among its members the attorneys representing the Commonwealth's cities and towns, their assistants, and other attorneys who either held those positions or are involved in municipal law representing governmental entities. The Association conducts educational training programs throughout the year, serves as a liaison between its members and other public sector organizations and governmental entities. It also publishes a Municipal Lawyers Exchange, maintains a Muni Doc bank of municipal legal documents and engages in other related activities. It strives to improve local government through municipal law.

The election of Mr. Albright to this position is a reflection of the high regard in which he is held by his peers and colleagues. I thought you would want to know of this recognition.

Very truly yours,

JAMES B. LAMPKE
SECY.- TREAS.

7021.11

Consent Communication #11 5- 263
Communication received from James Lampke,
