Henrietta Davis, Vice Mayor
Cambridge City Council
City Hall
Cambridge MA 02139

Dear Vice Mayor Davis:

I returned from vacation to find the beautifully worded declaration acknowledging CFCS and the Kennedy School of Government at Harvard for our collaborative efforts to produce the January 11th forum on the subject of adolescents aging out of the state foster care system.

As always, it is a joy to work and live in the Cambridge community where compassion is valued and productive action is generated on behalf of those who struggle. All of us at CFCS are honored by your acknowledgement of our efforts.

Please share our appreciation for this kind gesture with your colleagues on the council.

Sincerely,

Denise K. Maguire
