To the Honorable, the City Council:

I wish to advise your Honorable Body that the City's negotiators, namely Moulton, Looney, Mazzone, Falk & Markham, have been meeting with the attorneys for the Water Department employees, Wise & Wise, on last Friday and also today.

Mr. Murray of the office of Moulton, Looney, Mazzone, Falk & Markham, advises me that negotiations are going extremely well and both he and Mr. Wise are extremely optimistic that a contract will be reached very shortly.

I do think that in view of this report the negotiators should have a little more time with the anticipation that a mutually acceptable agreement will shortly result.

While the negotiators are proceeding on a lawyer to lawyer basis, I do understand that Mr. Wise is in regular communication with the group that he represents, as Mr. Murray is with myself.

Very truly yours,

John H. Corcoran  
City Manager
