D. Margaret Drury, City Clerk
City of Cambridge
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Ms. Drury:

Thank you for sending me a copy of the Cambridge City Council's resolution opposing the creation of a new area code for the City of Cambridge.

It is my hope that the Department of Telecommunications and Energy will be able to avoid the creation of new area codes. This will depend on DTE's success in receiving the Federal Communications Commission's approval on certain steps designed to conserve unused telephone numbers in existing area codes. Please be assured that I will continue to closely monitor this issue.

Thanks again for writing. If you have any questions or comments, please do not hesitate to let me know.

Sincerely,

Paul C. Demakis
