Dear Bob;

The Bureau of Accounts is in receipt of the fiscal year 1983 supplemental and the fiscal year 1984 Middlesex County budgets as voted at the March 22 meeting so our major responsibility on this year's Advisory Board is completed.

Many thanks to you for the time and effort put in as the Vice Chairman for the Board and particularly for your willingness to chair the meeting in my absence.

We have come a long way from the early days when only a few of us would meet to send letters to the Legislature with our budget concerns. At the last meeting more than 80% of the weighted vote of the cities and towns was represented to appropriate the budget.

Your willingness to participate and serve has been a great help and one reason for our success.

Sincerely;

Theodore D. Mann, Chairman
Middlesex County Advisory Board
