Mr. Paul Healey  
City Hall  
795 Mass. Avenue  
Cambridge, Mass.

Dear Mr. Healey:

As a Portuguese American Club in the City of Cambridge, we would like to state that we deplore the recent events that have taken place in the past week on the promotional list for Captains.

We feel that the failure to promote the normal way has a deteriorating affect on the morale and performance of the Police Department. This situation should be rectified so that the normal duties and routines of the Police Department will not suffer and that their performance will continue at the high level that they now have.

Very truly yours,

ALVO MARTINS VIEIRA  
PRESIDENT
