4.

Councillor Vellucci

IN CITY COUNCIL  
April 23, 1973

WHEREAS:

This City Council by ordinance has provided that the Police Department maintain a minimum quota of 350 men at all times,

WHEREAS:

Recent events in the City of Cambridge have indicated that more foot patrolmen are required to combat the wave of muggings, house breaks and armed robberies which threaten the lives and property of our citizens,

WHEREAS:

The citizens of Cambridge are unable to travel the streets in the night-time in safety, and are subjected to bodily assaults and robbery even in the daytime hours,

WHEREAS:

The response by cruisers after a crime has been committed provides no margin of safety for the individual citizen and is at best, a poor substitute for the presence of a police officer on the street who can observe a potential wrongdoer, and take effective measures to prevent the commission of a crime,

THEREFORE BE IT ORDERED:

That the City Manager be and hereby is requested to take immediate action to increase the number of foot patrolmen on the streets of Cambridge in accordance with the mandate of this City Council.
