Mayor Michael Sullivan
and all members of the
City Council

It is difficult if not impossible to
express my appreciation for your tribute
to Paul. It was most thoughtful
and a very unique expression of
condolence for me and my children
as well as their children.

My intent is to reproduce it and have
it framed for them to hang in a
special place in their home. I know
when I brought Paul home to our
roots it was the right thing to do
and your kind gesture validates
that for me.

You have our sincere appreciation
as well as our best wishes and
support for you and your future.

I will treasure it always and keep
it in a special place in my
heart and my home.

Sincerely yours
Pat Foley Erickson
