Mr. Paul E. Healy  
City Clerk  
City Hall  
Cambridge, MA. 02139

Dear Mr. Healy,

Thank you for the copy of the City Council's resolution condemning chemical weapons. I consider the fact that some people would make a case for these inhuman weapons in 1984 an outrage and a scandal. Your support is greatly appreciated, and please pass my gratitude along to the members of the City Council. Please do not hesitate to contact me if there is anything I can do for you in the future.

Very truly yours,

James M. Shannon  
Member of Congress
