I/We the undersigned are strongly opposed to the application for a curb cut behind 407A/409 Broadway.

The creation of a curb cut will remove one more increasingly valuable parking space meant to serve the entire neighborhood.
not enough parking now on the street!

In addition the creation of this curb cut can create safety issues as a result of cars being forced to encroach on cross walks, hydrants and corners. There is an additional safety concern that the stopping of traffic on this corner while the alley is being entered or exited is too close to the top of the street.

Please oppose this curb cut the next time it comes before you on the city council.

Thank you
