Reference

Dear Sir:

As you know, this has been a most unusual year in so far as rain fall is concerned. The net result is that foliage, brush, and undergrowth has developed on the water shed to the point where we are unable to maintain maintenance. Additional help will be necessary to cope with the situation.

I respectfully request that a transfer from A-1 in the amount of \$6,000 to A-2 be approved to allow for the employment of additional people to cope with the situation.

Very truly yours,

William H. McGinness
Superintendent Water Department
