To the Honorable, the City Council:

With respect to Awaiting Report Item No. 4 relative to the "gas-like" odor in the area of Harvard Square on March 20th, please be advised that the Police Department conducted an investigation into this matter. They were informed by Mr. Foley of the Commonwealth Gas Company that the odor was caused by a leak in a Boston Gas Company truck of some odorant which is put in the natural gas lines to give a detectable odor.

Very truly yours,

Robert W. Healy
