

To the City Council
of the
City of Cambridge

Respectfully
represent the undersigned: That they hold a
Mortgage for Three Hundred Dollars and about six months
interest (viz. since Apr. 22^d 1873.) upon a certain House
and Land owned by Jeremiah P. Brien: and of which
a certain part hath been recently taken or is now about
to be taken, for the purpose of a way called Green Street:
and they are informed, upon inquiry, that no damages
are (or are to be) awarded unto them in the premises:
although they are secured Mortgagees and their security
is considerably impaired by the said proceedings:
and the proposed Award (not including the under-
signed) hath passed the Hon. the Board of Aldermen,
and is now in its last stage in the Common Council:
And therefore, to the end that no injustice be done either
to themselves, or to the City, they respectfully suggest the
aforesaid facts to your honorable Body: and pray
that their reasonable damages be allowed them,
according to Law.
