For a Public Hearing May 19th 1869

May 7th 1869.

Cambridge March 29th 1869.

To the Hon. Mayor,

and Board of Aldermen
of the City of Cambridge
Gentlemen

The Undersigned represent that the side walks, on each side of North Avenue, from Holmes Place to the Railroad Bridge, are for the most part supplied with edge stones, paved gutters, and graded according to the survey of the City Engineer. -

We suggest that the public convenience requires, that the grade adopted, and already so largely carried out, should at once be finished between the streets named, - and do therefore respectfully ask your Board, to adopt the necessary Order for this purpose. -
