City Clerk
Cambridge City Hall
Cambridge, Massachusetts

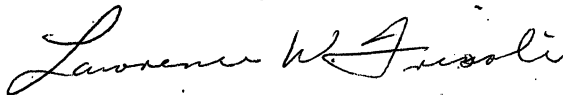

Dear Mr. Healy:

I would like to speak on the January 31, 1972 meeting of the Cambridge City Council. The matter to be discussed will be the results of my report on the City's tree population and the present conditions of the Public Parks of Cambridge.

At this time I will recommend to the City Council a possible solution to this dilemma.

Consequently, I wish you to enter my name on that night's agenda in order that action on this matter may begin to take place.

Sincerely yours,
