Incidents of Inspectional Services

COUNCILLOR SULLIVAN

WHEREAS: Over this past weekend, we have seen numerous flooding throughout the city and members of the City's Fire, Public Works, Water and Police Departments and others spent many hours trying to assist citizens and keep roads open; and

WHEREAS: Some of the streets that became flooded have been roads that have been cited in the past as problematic, even in light rains, such as Columbia Street and New Street; and

WHEREAS: These conditions create safety and health hazards, as well as financial problems for the surrounding neighbors; and

WHEREAS: These conditions should be corrected forewith for the safety, health and financial well-being of all our citizens. Now therefore be It

ORDERED: That the City Manager is hereby requested to conduct an evaluation of the events of this past weekend and provide this Council with a report listing of those streets and/or areas where flooding problems existed, including description of the problem, the solution and a time table for the corrective measures;

Ordered: That the CM include a report on these events regarding what we can find out as to rain + there effects on the Alewife area etc
