Re: Bicycle Lanes on Mass. Ave

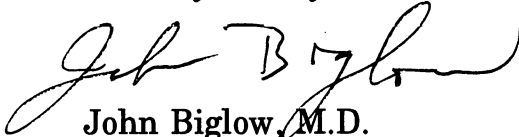

Dear City Council Members:

I am writing to express my gratitude for your request that bike lanes be included in the reconstruction of Massachusetts Avenue from Lafayette Square to Memorial Drive.

I am a Cambridge resident and I bicycle to work every day, unless the snow is too deep. My route, between Cambridgeport and Mass General Hospital, often takes me through Central Square and along Mass Ave. I am trying to make less traffic to relieve congestion and pollution, but I feel that I am fighting a losing battle. The drivers are angry at me and it feels very dangerous.

I am in favor of anything that will encourage the use of mass transit or other alternatives to people driving alone.

Thank-you for your work on this,
