EXECUTIVE CHAMBER

CITY OF CRANSTON

RECEIVED BY
CITY CLERK
RHODE ISLAND
MAR 20 AM 9:25
BRIDGE MA.

MICHAEL A. TRAFICANTE

MAYOR

March 10, 1986

Dear Government Official:

I want to alert you to an important and interesting conference that will be held at the Biltmore Plaza Hotel in Providence on April 3 and 4, 1986. The conference will deal with the issues of federal budget and program cuts as they affect economic development efforts mounted by local government.

Most importantly, eight cities in the Northeast region will share their diverse experiences with local economic development strategies - strategies that have worked and paid dividends in jobs and increased tax base.

In addition, we will have an up-to-date briefing on the federal budget situation from the staff of the National League of Cities and Towns.

A more detailed brochure is to follow, however, I am sending this preliminary notice because of the short time period and because I believe this conference merits your attention.

The program is funded by the Department of Housing and Urban Development and co-sponsored by the City of Cranston and the Coalition of Northeast Municipalities.

I hope you will be able to join us for this important meeting. If you have further questions, please feel free to contact Kathleen Cevoli, Director of Economic Development for the city of Cranston, at 461-1000, ext. 221.

Sincerely,

Michael A. Traficante
Mayor
