

To the Honorable the Board of Mayor
and Aldermen of the City of Cambridge

The undersigned, residents on
North Avenue in said Cambridge,
respectfully remonstrate against
the construction of a brick sidewalk
on the westerly side of said Avenue,
both on the score of convenience as well
as comfort moreover some of us contem-
plate changes in our premises border-
ing thereon, which might necessitate
the relaying of said walk within a
very short time, in case it is built
the present season: we also have reason to
believe that it can be done at much less expense
at some future time.
