Dear Mr. Healy,

After reviewing the location for the proposed commercial driveway at 10 Centre Street: I recommend that this driveway petition be denied due to the fact that it will not meet the requirements of the Zoning Laws of the City of Cambridge.

This building presently has a driveway on Centre Street and this proposed driveway would be used to park cars in spaces that do not comply with the City's standards. There also has been some concern by residents of Centre Street that they will lose some on-street parking if this driveway is constructed.

Very truly yours,

George Teso
