In response to Awaiting Report Item No. 99-80, regarding a report on the condition of the lacrosse field at MIT, Recreation Director Paul Ryder report the following:

The lacrosse field at MIT was closed due to poor condition and related liability concerns. A \$1,600,000 renovation of the field is scheduled for this Summer. In addition, the Recreation Division has not received requests from any MIT organizations and/or students for field space as a result of this project.

Very truly yours,
