Councillor Walter J. Sullivan
City Hall
Cambridge, MA 02139

Dear Walter:

Through you to the other members of the City Council, I hereby submit my resignation from the position of Administrative Assistant to the Cambridge City Council effective April 10, 1981.

I do this with deep regret and a real sense of personal disappointment at my continuing inability over the past year to carry out the responsibilities of this office in a way which I think is appropriate. I seem to be stuck in a rut which I can't yet get through and that fact is now hurting you and my other friends on the Council as well as myself.

You and the other members of the City Council will always have my friendship and gratitude for standing by me for so long through a difficult period in my life.

I trust I don't have to tell you that nothing would please me more than to be of service to you and the rest of the Council at any time if any of you think I might be able to help either individually or as a group.

Again, I thank you and the other Councillors for allowing me to work so closely with you over these past years.

Very truly yours,
