To the City Manager
Council of the City of Cambridge

Dear Sirs:

It really looks as if most members of the City Council are just waiting for the City to reach the depths of fiscal degradation where rent control is fast destroying our businesses^{ess} & property owners & all that will remain will be the "Tenants Senate" & "Hard Times" & a few other spend thrift outfits.

Wherever one looks up or down we see huge For Rent signs where never before anything of the kind was evident.

I object to one dime being
spent for any more schools
of any level.

Do yourself a favor - just
walk over to both Rindge +
High + Latin. I would close
both those schools + reopen
them only to decent - law-
abiding students. I am horrified
when I walk in that direction
at 9 a.m. or from any other
time. Is this what you
gentlemen + ladies expect
us taxpayers to fund.

Where are the Supervisors
Personnel + the prominent
expert - Mr Cheatham himself

Very truly yours -
Maurice H. Kramer
