Ms. Margaret Drury, City Clerk
Cambridge City Hall

Dear Ms. Drury:

I am sending the two pages of information for the City Council. Right now, we need to contact our state representatives and urge them to support Senate Budget Amendment #588 to preserve local control over the placement of wireless telecommunication antennas by removing the "public utilities" status from the cellular providers.

If I can answer any questions, please contact me. Thank you for your help.

Sincerely,

Margaret T. Patton
