Dear Mr. Flynn:

Thank you for contacting my office regarding the request of the City Council's proposal to the FY94 state budget on behalf of the Council on Aging.

Despite the current fiscal constraints, I am supportive of the restoration to the 1987 level to \$2.30 per elder. The Council on Aging and their Senior Centers serve as a vital link between the needs of senior citizens and the available resources.

Thank you,

ROBERT A. HAVERN
State Senator
