Dear Mr. Healy:

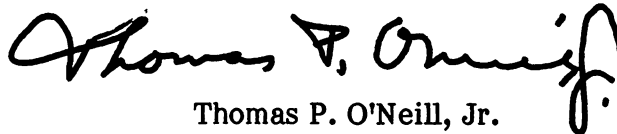

This will acknowledge your recent correspondence in which you enclosed the City Council's Resolution advocating the enactment of legislation to implement the recommendations of the Commission on Wartime Relocation and Internment of Civilians. Thank you for advising me of the Council's actions.

You may be assured that when legislation for this purpose is introduced in the 99th Congress I will do all that is within my power to see that it is considered before the full House of Representatives. At such time, I will keep the special concerns of the Cambridge City Council in mind.

Once again, thank you for sharing the Council's sentiments with me.

With every good wish,

Sincerely,

Thomas P. O'Neill, Jr.
The Speaker
