"Best Public Education Contest"

Dear Mr. Healy:

The New England Water Works Association (NEWWA) is pleased to present Cambridge Water Department (CWD) with the First Place award in our "Best Public Education Contest." NEWWA's theme of enhancing public trust was certainly exemplified in your Public Information and Education Program. Key components that made your program outstanding to the judging panel included: informing the public of your mission, water supply basics, the Department's function, and building a working relationship between CWD and the public.

On behalf of NEWWA, I congratulate the Cambridge Water Department on developing a great program. We have enclosed, with Mr. Nicoloro's copy, the First Place Prize of sixty dollars (\$60) worth of NEWWA certificates (Serial Nos. PJH100021 through PJH100032) for the Department's use toward future NEWWA meeting registrations or the purchase of educational and training materials.

Thanks again for your participation and NEWWA support. We look forward to seeing you at our upcoming events.

Very truly yours,

NEW ENGLAND WATER WORKS ASSOCIATION
