from the Brookline St Draw

investigation. I am driven
from my position at
the close of Navigation
after doing the work for
the year depriving me
of three months pay for
which I have done the
work. now Gentlemen is
that right. if you have
charges against me bring
them forward. I was
appointed by the Committee

on Streets and Bridges
Six years ago April 25 83
for one year and have so
continued since

I ask an investigation
a Reinstatement or
my pay until the opening
of Navigation

I shall endeavor to collect
my pay for that time

Trusting your honor
