Dear Ms. Drury and Ms. Lopez:

I have received the City Council's resolution regarding support of House Bill No. 3905. I appreciate being informed of the City's position regarding this important legislation. The Commonwealth must continue to combat increasing tobacco use among youths, protect the rights of non-smokers and discourage public investment in tobacco related companies.

Please feel free to contact me again if I can be of any further assistance to the City of Cambridge regarding this or any other matter of importance.

Sincerely,
