

City of Cambridge

16.

IN CITY COUNCIL
April 5, 1976

Councillor Clem

WHEREAS:

The entire riverfront is one of the most important natural resources of the City, and

WHEREAS:

The riverfront provides great opportunities as a recreation resource as well as development opportunities to augment the tax base of the City, and

WHEREAS:

The need exists to re-examine and propose new controls for the entire riverfront so that all opportunities for the most productive and balanced use of the riverfront can be realized, therefore be it

RESOLVED:

That the City Council requests the City Manager to direct the Community Development Department to develop specific zoning proposals and any background material necessary for public discussion of these proposals before the Housing and Land Use of Committee of this Council.
