

AVEROF

January 22, 1981

Mr. Charles Sprague, Building Commissioner
Cambridge Building Department
797 Massachusetts Avenue
Cambridge, MA

Dear Mr. Sprague:

The following is an outline of parking arrangements to be followed during the construction of the office building at 1972 Massachusetts Avenue:

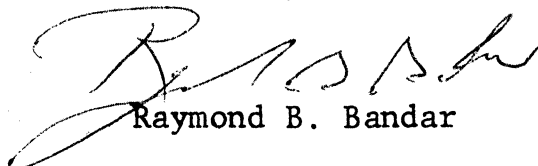

A sign will be posted at Woman's World Health Spa, informing them to park at the Averof parking lot at 1924 Massachusetts Avenue. Unless the guest at Woman's World has a Cambridge residential sticker for the Porter Square area, they will be informed that they cannot park on the city residential streets, otherwise a \$15.00 parking violation will be issued to them.

We have leased a parking lot at 33 Richdale Avenue to accommodate the overflow of patrons at the Averof into that lot. A lease extending until September, 1981 has already been sent to your office.

Valet parking will be available from 5 P.M. to 12 P.M. nightly. We are in the process of printing cards with "Averof Valet Parking" written on them, and they will be placed on the windshield of the cars for easy identification.

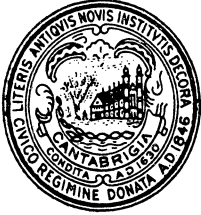

Hope this will meet with your approval, and any further recommendations you have for us we will be glad to follow.

Sincerely,

Raymond B. Bandar

EXECUTIVE DEPARTMENT
JAMES L. SULLIVAN
City Manager

January 26, 1981

To the Honorable, the City Council:

Enclosed is a copy of a communication from Raymond B. Bandar of Averof's outlining the steps that he has taken to comply with the conditions of the building permit related to parking.

I have also notified Commander Paolillo to ensure that enforcement of parking regulations takes place in that area during evening hours.

Very truly yours,

Robert W. Healy
Acting City Manager

RWH/mbf
