EXECUTIVE DEPARTMENT
JAMES L. SULLIVAN
City Manager

April 11, 1977

To the Honorable, the City Council:

With respect to the petition for a driveway at the premises numbered 20-24 Marion Street, it is my recommendation that this petition be tabled until the status of the burnt out property at 14-16 Marion Street is clarified since the same individual owns both parcels.

The building department has informed the owner to remove or repair 14-16 Marion Street.

The Cambridge Redevelopment Authority has offered to purchase both the burnt out parcel and the vacant lot in question. The owner still has not accepted the Cambridge Redevelopment Authority's offer, but is scheduled to meet with the Cambridge Redevelopment Authority. The Cambridge Redevelopment Authority will demolish burnt out portion upon acquisition.

Very truly yours,

James L. Sullivan

Subject Driveway Permit at 20, 22 and 24 Marion Avenue

I have viewed the proposed driveway to be constructed on Marion Street and find that this driveway permit should be allowed due to the fact that this proposed parking area for 10 vehicles will be used for resident parking.

As can be seen on the attached plan fencing and a five foot landscaped area will be constructed in accordance with the zoning laws of the City.

Enc.

Cambridge, 115 1977

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray that a driveway for commercial use may be constructed and agrees to deposit with the City Treasurer the sum of seventy five (\$75.00) dollars, subject to the following conditions, to wit: In case the amount so deposited is in excess of the cost of the driveway, the difference shall be refunded by the City Treasurer, but in case the cost of the driveway exceeds that deposit, said deposit shall be applied as a credit to the bill and the balance shall be paid to the City Treasurer within thirty days from the receipt of the bill.
