City Hall
Cambridge, Massachusetts 02139

Dear Mr. Healy:

I am in receipt of your letter of February 13th, with enclosure, a copy of the Resolution recently adopted by the City Council of the City of Cambridge in relation to the future of the NASA Electronics Research Center in Cambridge.

While I will not be able to attend a future meeting, I want you and the members of the City Council to know I am deeply interested in the future action taken in relation to the Electronics Research Center in Cambridge. I opposed very strongly the closing of the Center. I am very disappointed in the action taken by the present Administration. I will be glad to receive any suggestions from the City Council in connection with the future disposition of this Center, and cooperate in every way I can.

Sincerely yours,
