

Boston May 2. 1868.

S. F. Woodbridge Esq

Chairman of the Com. on Roads & Bridges
Cambridge Mass.

Sir

Since there seems to be
some persons living on Mt Auburn and De Wolf str
who will be accommodated by having a foot passage
way through my grounds. I will give to the city
five feet in width off from the west side of my
land provided the city will be at the expense of
moving the fence.
