To the Honorable, the City Council:

I have been requested by your Honorable Body to furnish information as it relates to the so-called 8% pay increase for employees of the City of Cambridge, other than the Police and Fire Department personnel.

I wish to advise your Honorable Body that the annual budget which is to be presented on Monday next will provide for an 8% pay raise for all departments the same as has been previously granted by the City Council to the Police and Fire Departments for the calendar year 1972.

Very truly yours,

John H. Corcoran
City Manager
