Subject

Special Sewer Assessment, 175 Vassar Street.

In the matter of the petition of John E. Cain Company for permission to connect their premises at No. 175 Vassar Street to the common sewer in Vassar Street, which premises have not already been assessed for sewer benefits, I recommend that said John E. Cain Company be granted permission to connect their premises to the common sewer on payment to the City Treasurer, the usual assessment, amounting in this case to \$236.60.

I am enclosing herewith, the petition signed by Robert H. Cain, President, John E. Cain Company.

Will you please transmit this petition and recommendation to the City Council for necessary action.

Very truly,

*Edgar W. Davis*

Mr. Edgar W. Davis, City Engineer  
City Hall  
Cambridge, Massachusetts

Dear Mr. Davis:

Confirming our telephone conversation of this morning, we would appreciate it if you would issue a permit for Mr. Joseph White or another authorized drain layer to lay a sewer line from our new building at 175 Vassar Street to the City sewer.

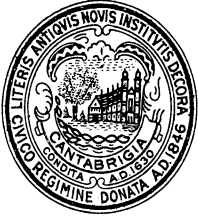

We understand that in connection with this permit there will be a sewer benefits assessment of \$236.60 against us. If you will have the City Treasurer bill us for this assessment we will pay it as soon as it is received.

Yours very truly,

JOHN E. CAIN CO.
