

Cambridge,

1/22

1973

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

We wish to present to Council a list of deficiencies concerning parks in Cambridgeport. We wish a hearing on Jan. 29. We submitted this request for a hearing on Jan. 15, expecting to be on the agenda for Jan 22. The ~~order~~ subject was brought up on the 15th, without our knowledge. The order passed on that day to clean the parks is nice, but we want improvements. We have worked for 15 months with nothing to show. We cleaned the parks ourselves. We want a hearing on improvements on Jan 29.
