

We, the undersigned, petition our local and state officials, and The Stop and Shop Company to work out a plan for a NEIGHBORHOOD supermarket that fits the size and scale of Cambridgeport, and DOES NOT require trucks on Memorial Drive, an MDC Parkway.

If Stop and Shop refuses to build such a store, we urge them to do what they did in Quincy at the neighbors' request, which is to lease to another grocery store that will provide the people of Cambridgeport with food WITHOUT HAVING TRUCKS ON MEMORIAL DRIVE.

We, the undersigned, hereby petition the Commissioner of the Metropolitan District Commission, M. Ilyas Bhatti and the Honorable Governor of the Commonwealth of Massachusetts, William Weld to not allow trucks of any kind onto Memorial Drive in Cambridge. We support keeping this valuable and scenic parkway for the use of pleasure vehicles only. Once this road is lost to commercial trucking we could not replace it's value to the citizenry of the Commonwealth.
