IMPORTANT NOTICE

CAMBRIDGE MA.

It is with deep regret that I must write to you to say that due to a sudden and shocking 150% increase in the real estate taxes by the City of Cambridge this June and other rapidly escalating operating costs, The New Preparatory School will close its doors for good on August 14, 1987.

The New Preparatory School has been functioning continuously since 1924 and many of its graduates have distinguished themselves in a variety of careers. We are proud of our record both in the class room and on the playing field.

Credit is also due to our staff whose loyalty and dedication through the years has been responsible in large amount for our success. We are also grateful to all those who have most generously supported us when the need arose.

This has been a most difficult decision to make.

It is never easy to say the final good-bye.

Yours very truly,

Ernest Benshimol Jr.
