DEPARTMENT OF PUBLIC UTILITIES

20 = P.S. 1918
 February 12, 1959

D. P. U. 12800-A

Petition of Metropolitan Transit Authority for approval by the Department of the erection, maintenance and use of poles to support the wires of its electrical system.

 Appearance: William J. Fitzsimons, Esq., for the Petitioner

This is a petition of the Metropolitan Transit Authority under the provisions of section 10 of Chapter 544 of the Acts of 1947 for permission to erect, maintain and use one pole on the northeasterly side of Massachusetts Avenue between Woodbridge street and Meacham Road in the city of Cambridge.

Said pole is to replace an existing pole which the Authority has been requested to relocate by the owner of the abutting property to eliminate interference with a proposed widening of the driveway to the premises.

After notice, a public hearing held on December 29, 1958 in the Department's hearing room at which no one appeared in opposition, and after consideration, it is

ORDERED: That the Metropolitan Transit Authority be and hereby is granted permission to erect, maintain and use one pole to support the wires of its electrical system in the city of Cambridge as follows:

One pole on the northeasterly side of Massachusetts Avenue between Woodbridge street and Meacham road; substantially as shown by a red dot on a plan entitled "Metropolitan Transit Authority - Pole Location on Massachusetts Avenue between Woodbridge street and Meacham road - Cambridge - October 17, 1958 - DWG No. C-15281" a copy of which is on file with the Department.

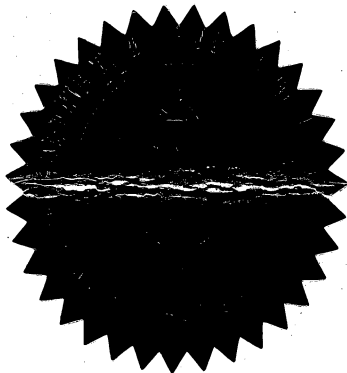

Also permission be and hereby is granted to said Authority to attach its wires, appliances and electrical appliances and apparatus to said pole and to make the

underground and surface alterations to the street necessary for that purpose,
all in accordance with the testimony given at the hearing, and the Department
DETERMINES; the above-described grant of location to be in the public
interest.

By order of the Department,

(signed) FRANCIS J. HICKEY, Jr.

Secretary
