

Cambridge, July 2, 1873.
To the Honorable the City Council.

The Undersigned has caused a stone Watering Trough, seven feet in length, two feet in width, and two feet in height, to be placed in the Square at the junction of Bridge and Cambridge Streets, and requests that you will accept the same on behalf of the City, without further condition than that it shall be kept in repair by the City, and be supplied with water.

D H C Shustan

In Board of Aldermen, July 2, 1873.

Ordered, That the Watering Trough be accepted upon the above mentioned conditions, and that the charges of the City Council be tendered to

the Thurston.

See cleared for entrance.

Attest. Justin A. Jacobs City Clerk.

Concurred,

In Common Council July 15, 1873.
Attest, J. W. Cotton, Clerk,

Approved, July 18, 1873 -

Isaac Bradford

Mayor -
