Dear City Councilors:

I want to thank you for the wonderful and unexpected tribute that you bestowed on me by naming the conference room at the Traffic and Parking Department in my honor. I was happily surprised when I heard that the City Council Order filed by Councilor Timothy Toomey passed unanimously and was delighted by the number of people who attended the dedication. It was especially gratifying to hear Mayor Frank Duehay and City Manager Robert Healy speak about our endeavors in trying to make the City of Cambridge a better place to live.

It was a pleasure to talk with old friends, city officials and citizens of Cambridge who I had worked with during my 29 years in Cambridge. Once again, I humbly thank you and the citizens of Cambridge for allowing me the honor of serving you and I hope that I helped improve the quality of life in your beautiful city. I will always remember those wonderful years. It was truly a pleasure to serve the City of Cambridge.

Very truly yours

George Teso
